

## Redeemer Youth Scholarship Application

Redeemer Youth Ministries aims to prayerfully steward our resources in a way that glorifies God and provides opportunities for all students in our ministries. We do not want finances to get in the way of any student attending a retreat, conference, or mission trip. However, our resources are limited, so a scholarship application process is wise and necessary.

Scholarships will be awarded based on need. We will also take into consideration each applicant's involvement in ministries and service opportunities at Redeemer.
